

APPLIQUE

Machine Applique Basics with Patty Barrett

Wed, Feb 3 - 1:00 to 3:00 PM OR 6:30 to 8:30 PM

Lose your fear of applique! In this technique class, Patty will help you master machine applique using the fusible-web method. You'll love the results! \$20-no pattern required

Beginning Needleturn Applique with Angela Lawrence

Tues, Jan 19 & Feb 2 - 1:00 to 3:00 OR 6:30 to 8:30 PM

Have you always admired the beautiful applique quilts but weren't sure how to begin? Angela will teach you all the basics as you make a block suitable for use in a sampler quilt or as a medallion for a wall hanging. \$32 plus pattern

Intermediate Applique with Angela Lawrence

Tues, Feb 9 and Mar 9 - 10 to noon

Advance your applique skills with this intricate floral design. Angela designed this wall hanging for the class. Let her help you become an expert. \$40 plus pattern

Japanese Applique with Angela Lawrence

Every 4th Tues, Feb through July - 10 to Noon

Join Angela for a six month journey using the pieced and applique blocks from among 125 designs in Susan Briscoe's exciting book *Japanese Quilt Blocks*. Needleturn applique techniques and color/design concepts will be reviewed, and you'll get Angela's help in selecting the appliquéd and pieced blocks for your masterpiece. \$77 plus book

Folk Art Floral with Angela Lawrence

Every 3rd Tues, Feb through Oct

10 to Noon OR 6:30-8:30 PM

Create this lovely nine-block quilt while learning basic needleturn applique techniques each month. Perfect for your first applique project....or your 100th! \$100 plus pattern

BEGINNING-TO-QUILT SERIES

Accurate Rotary Cutting with Carol Wilson

Mon, Feb 1 OR Wed, Mar 17 - 6:30 to 8:30 PM

Before you take a piecing class, learn the basics of rulers, rotary cutters, and accurate and safe cutting techniques. We'll teach you to follow typical cutting instructions for strip piecing. (Pre-requisite to other classes in this series.) \$20-no pattern required

Turning Twenty with Carol Wilson

Wed, Feb 10 & 17 - 6:30 to 8:30 PM

This is a great pattern that's both super simple and so pretty that quilters of all levels enjoy making it. You'll learn basic piecing skills and how to follow a quilt pattern. You'll end up with a top worth quilting! (*Please note: You must take the Accurate Rotary Cutting class before this class unless you already have rotary-cutting skills.*) \$30 plus book

BEGINNING-TO-QUILT SERIES, continued

Binding Basics with Connie Doern

Mon, Mar 22 - 6:30 to 8:30 PM

Learn to prepare your binding strips, attach them, and turn mitered corners. Every beginner needs this class to give their quilts the finish they deserve. Don't let a sloppy binding detract from your quilt! \$12-no pattern required

Easy Triangles with Carol Wilson

Mon, Mar 1 - 6:30 to 8:30 PM

NEW Whether you've never tried half-square triangles, or have tried them and hated them, you may change your mind after this *technique class* that will teach you different ways to construct accurate half-square triangles. You'll also learn a fool-proof way of making the Flying Geese block. \$20-no pattern required

QUILTING & FINISHING

Template-Free Free-Motion Machine Quilting with Patty

Wed, Feb 17 - 12:30 to 4:00 PM

Advance your machine-quilting skills and discover the fun, freedom, and beauty of free-motion quilting without premarking your top. You'll learn many designs and how to move gracefully from one to another. \$25-no pattern required

Machine Quilting with Lynn Witzenburg

Sat, Mar 6 - 10:00 to 4:00

Overcome your fear of working with a large quilt on your home sewing machine! You'll learn how to pin-baste the quilt, how to use your walking foot for straight-line quilting, and the techniques used in free-motion quilting. After the class, you'll be ready to actually *complete* one of those tops you've finished! \$45

Long-Arm Machine Certification with Jeanne Stilley

Sat, Feb 20 - 10:00 to 1:00

Learn to use our long-arm in this 2-part class. In the 1st session, you'll learn to wind and load a bobbin, thread the machine, load the quilt, and operate the controls. If you want to become certified for rental, you'll need a second one-on-one session with the instructor to prepare for your "solo flight." Session 1-\$65; Session 2- \$100 for 4 hours of practice (by appointment.)

OTHER TECHNIQUES & PROJECTS

NEW Wool Applique with Diane Thiese
Sat, Feb 6 - 10:00 to 1:00

Learn the tricks of working with wool while you create a pretty penny rug candle mat. You'll get Diane's help with the blanket stitch and embellishment stitches...techniques that you can use on all your future wool projects. \$20-no pattern required

OTHER TECHNIQUES & PROJECTS, cont.

Fearless Design with Angela Lawrence

NEW

Every 2nd Thurs, Feb through Nov - 6:30 to 8:30 PM

Quilting is an art form! Learn and develop an understanding of design in this 10-month series based on the book *Fearless Design* by Lorraine Torrence and Jean B. Mills. Lectures and assigned lessons cover all areas of quilt design. \$110 plus book (Advanced)

Paper Piecing with Sharon Meisenheimer

Mon, Jan 18 - 1:00 to 3:30 OR 6:00 to 8:30

OR Mon, Mar 8 - 1:00 to 3:30

Enjoy the fun and accuracy of paper piecing! Sharp points and perfect pieces will be yours with this easy technique that can be used for blocks of all sizes. \$25 plus pattern

Class fees are due at the time you enroll and are non-refundable unless you provide notice prior to 7 days before the class begins. Books, patterns, and notions on the class supply list can be purchased at a 15% discount upon your paid enrollment, through the day of the class.
