## BEGINNING-TO-QUILT SERIES

### Accurate Rotary Cutting with Carol Wilson

Wed, Aug 12 - 6:30 to 8:30 PM

Before you take a piecing class, learn the basics of rulers, rotary cutters, and accurate and safe cutting techniques. We'll teach you to follow typical cutting instructions for strip piecing. (Pre-requisite to other classes in this series.) \$12-no pattern required

### Stack of Scraps with Carol Wilson

Wed, Aug 19 & 26 - 6:30 to 8:30 PM

**NEW** Calling all beginners! Learn an easy method of making sawtooth stars while making this cute lap quilt. Perfect for your first project! (Please note: You must take the Accurate Rotary Cutting class before this class unless you already have rotary-cutting skills.) \$30 - pattern included

### Turning Twenty with Carol Wilson

Wed, Sept 16 & 23 - 6:30 to 8:30 PM

This is a great pattern that's both super simple and so pretty that quilters of all levels enjoy making it. You'll learn basic piecing skills and how to follow a quilt pattern. You'll end up with a top worth quilting! (Please note: You must take the Accurate Rotary Cutting class before this class unless you already have rotary-cutting skills.) \$30 plus book

### Binding for Beginners with Patty Barrett

Sat, Sept 19 - 1:30 to 4:00 PM

Learn to prepare your binding strips, attach them, and turn mitered corners. Every beginner...and some more experienced quilters...needs this class to give their quilts the finish they deserve. Don't let a sloppy binding detract from your quilt! \$12-no pattern required

## QUILTING & FINISHING

### Machine Quilting with Lynn Witzenburg

Sat, Aug 8 - 10:00 to 4:00

Overcome your fear of working with a large quilt on your home sewing machine! You'll learn how to pin-baste the quilt, how to use your walking foot for straight-line quilting, and the techniques used in free-motion quilting. After the class, you'll be ready to actually *complete* one of those tops you've finished! \$45

### "Ask Lynn" with Lynn Witzenburg

Sat, Aug 22 - Noon to 4 PM

**NEW** This class is for those who have taken Lynn's machine quilting class or are comfortable with basic to intermediate machine quilting. Is there an area where you still struggle? Along with tips on fitting designs to your border, quilting feathers, and background fills, Lynn will address **your** issues. Just drop her an email prior to class ([lynnwitz@msn.com](mailto:lynnwitz@msn.com)), or drop off your questions at the shop. \$35

### Long-Arm Machine Certification with Jeanne Stilley

Sat, Aug 15 - 10:00 to 1:00

Learn to use our long-arm in this 2-part class. In the 1st session, you'll learn to wind and load a bobbin, thread the machine, load the quilt, and operate the controls. If you want to become certified for rental, you'll need a second one-on-one session with the instructor to prepare for your "solo flight." Session 1-\$65; Session 2- \$100 for 4 hours of practice (by appointment.)
